Superintendent's Highlights

During the 1997-98 school year, each of the 7 buildings in the district established a home page on the Internet. The district also has its own home page. March 8, 1998, marked the 50th anniversary of the formation of the existing Snake River School District. The Jubilee year included several activities involving all 50 graduating classes. The district's educational foundation was busy funding scholarships, grants and employee awards. The district received a grant from the J. A. and Kathryn Albertson Foundation in the amount of $151,285 to enhance the Accelerated Reader Program in grades K-8.

## Progress Towards Meeting District Goals

1997-98 Goals	Progress
To implement a comprehensive technology program in the district.	Added: 1) software for both MacIntosh and PC-Windows; 2) attendance and grading programs served from a file server for each building; and, 3) wireless connectivity from each building to one central location giving the district E-mail, Internet and access, and Web Page publishing.
To implement school and subject exiting standards.	Snake River High School is developing school and subject area exiting standards. By the Fall of 1998, the standards and indicators will be completed for all core and most elective courses.
To establish a district-wide scope and sequence.	During 1997-98, work was completed on curriculum revision and textbook adoption in social studies, music, and art for grades K-8.
To implement a comprehensive district-wide staff development program.	Course offerings were planned to support staff development in technology, prevention efforts, and instructional expertise.
